* The days off from work listed above typically apply to jobs with daytime hours. If you work an evening or night shift, please adjust your time off accordingly.

** The second Passover is only required if you were unclean or unable to keep the first Passover.

*** The memorials of Simon, Nicanor and Purim are not commanded as Sabbath days, therefore you are not required to take time off from work to keep them.

**** About every 3 years or so, 12 months will expire before the spring season begins. Therefore, a waiting period or additional month known as 2nd Adar (Hebrew name of the 12 month) is necessary so that the next New Moon that occurs on or after the Vernal Equinox will then be the correct 1st New Moon.
